WELCOME TO THE PIZZERIA RESTAURANT GITZIHÖLL IN MALBUN

The Gitzihöll is the first and therefore oldest Pizzeria in Liechtenstein. It is located in Triesenberg/Malbun at 1600 meters above sea level. You will find it right across from the base station of the Malbun-Sareis chairlift, in the lower level of the Alpina House which has been completely renovated in recent years.

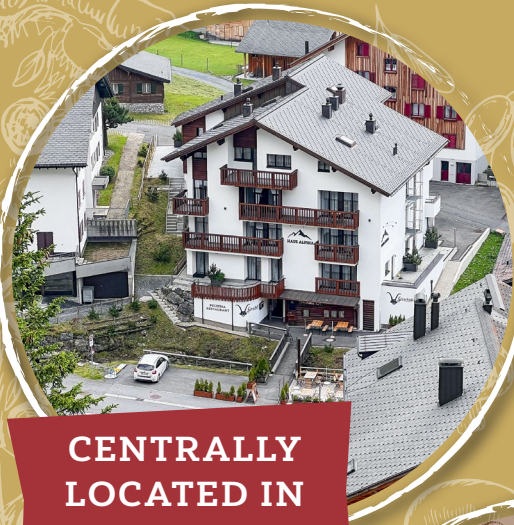

The unique interior of the restaurant with its cave-like atmosphere has a mysterious yet inviting and romantic feel. Since 1977 the Gitzihöll is particularly famous for its legendary homemade pizza sauce used on the various pizzas.

In nice weather our cozy garden terrace, located right next to the Malbun stream, invites you to linger outdoors.

We look forward to your visit

Dhariana and Peter Mario Beck with Gitzihöll-Team
